Hello Quilters

The Durango Arts Center is hosting an exhibit in January 2015:

“Connected by a thread-quilts and quilters of the Four Corners”

The show is designed to feature 12-14 vintage quilts from several collectors (pictured below).

We are inviting quilters from the area who have work, traditional to contemporary, that resonates, reflects and refers to these old beauties. Stories about the quilts are welcome.

Curators are Connie Nordstrom-nordcj@gmail.com
