

## Postcard Party!

Postcard Party is an exciting, new nationwide event. On one of the dates listed below, come to the shop and make a postcard using a kit that we provide. It includes a 6" x 7" piece of fabric printed just for Colorado participants (each state has their own) and a piece of fusible stabilizer. Use your own fabric to make the opposite side of the postcard. Write a personal message on your card and when you're done leave the finished piece with us. We'll mail them all to Postcard Party Headquarters.

A few weeks later we'll receive the number of postcards we sent in and they'll be from quilters from all over the country. At that point we'll display the cards and schedule a Mail Call Party for everyone who made a postcard. You'll be assigned a number and choose your favorite postcard from the group. You can then swap with others until you are happy with the postcard you have. If you'd like, you can correspond with the person who made the postcard you end up with. Sound like fun? Join is on one of these dates.
